

Subject:Electronic Safe

Dear Sir,

Further to your request, regarding the above-mentioned subject, I have the pleasure to enclose hereunder our product Description and our prices for your Request.

We have the newest technology in the world related to intelligent systems, Guest Code. This technology avoids us the weakness of the failure of using the normal smart technology when it touches water and dust, etc... As well as the cost reduction of using the smart air cards

We are very pleased for the interest shown towards our products and we are looking to hearing from you soon,

If you would like to receive further information about any of our products, please do not hesitate to contact me.

Yours sincerely,

LST Egypt
